02.2012-01.2013

Griffel Advocacy campaigning and social entrepreneurship program

IT-Manager and Marketing chief

Griffel advocacy campaigning and social entrepreneurship program for young people between 14-18. The project aimed to increase the usage of ICT, Marketing and Research within schools in practical and real-life scenarios. We strived to inspire high school students to develop a socially oriented business idea from various thematic areas. Once entered for this opportunity, which can be completed in Norwegian or English, we provided face to face and multi-media opportunities to meet and develop that idea.

Area of expertise

Media, Design, Programming, Education
